

Index to Volume 13

AUTHOR AND SUBJECT INDEX

A

- Aaronson, A. L. (co-author) : C-Reactive protein levels and anti-streptolysin O titres in bronchial asthma, 29
- Aaronson, Abe L. (co-author) : C-Reactive protein in bronchial asthmatic patients. II. Further evaluation, 586
- Aaronson, Abe L. (co-author) : Hay fever. A review of the literature of 1953-1954. (Progress in Allergy), 594
- Abramson, Harold A. : Poliomyelitis and allergy (Editorial), 324
- Acute allergic reactions to cow's milk (C. Collins-Williams), 415
- Aerosols of epoxytropine tropate methylbromide for the relief of bronchospasm (A. Salomon, et al), 90
- Akenhead, Walton R. (co-author) : Rupture of the esophagus, 15
- Alden, Herbert S. : Industrial dermatitis, 695
- Allergic constitution, Poliomyelitis and the (Herman M. Lubens), 265
- Allergic dermatoses, The general treatment of (John B. Haeberlin, Jr.), 571
- Allergic disease, Is there a specific emotional pattern in? (M. Coleman Harris), 654
- Allergic manifestations, A new antihistamine for treatment of (Norman W. Clein), 163
- Allergic patient during pregnancy, The management of (Angelo L. Maietta), 516
- Allergic patient, treated, The outlook for the (Leo H. Criepe), 669
- Allergic reactions to penicillin in infants and children, The incidence of (Joseph H. Lapin), 169
- Allergic rhinitis of pollen origin, Treatment of, by local application of a suspension of cortogen acetate with Chlor-trimeton maleate (William H. Evans), 99
- Allergic vasculitis (Frederick J. Szymanski), 408
- Allergies, Ocular (Justin M. Donegan), 559
- Allergies, The use of a double antihistamine in the treatment of (Harry Steinberg), 183
- Allergy and headaches (Albert H. Unger), 523
- Allergy, dermatologic. Critique and review of the recent literature (Progress in allergy) (John L. Fromer), 720
- Allergy, drug, Swelling of the interphalangeal joints as a manifestation of (Maxwell Spring), 160
- Allergy, House dust. I. Occurrence of seasonal patterns of asthma and rhinitis during the warmer months of the year (A. M. Targow), 662
- Allergy, inhalant, Domestic and industrial components of (Lawrence J. Halpin), 551
- Allergy, Intravenous hydrocortisone in (William C. Grater), 191
- Allergy, Nasal surgery in (Sam H. Sanders), 674
- Allergy, perennial nasal, Food sensitization as a cause of (Eugene L. Derlacki), 682
- Anaphylactogenic properties of piperazine citrate (Bret Ratner and John G. Flynn), 176
- Anaphylactogenic properties: Soybean (Bret Ratner and Lloyd V. Crawford), 289
- Antiallergic, Obviating the antihistaminic sedative factor with a new (Harry Steinberg), 710
- Antihistamine, double, in the treatment of allergies, The use of a (Harry Steinberg), 183
- Antihistamine, new, and its combination with calcium, Pharmacologic studies on a (E. Rothlin and A. Cerletti), 80
- Antihistamine, New, for treatment of various allergic manifestations (Norman W. Clein), 163

INDEX TO VOLUME 13

- Antihistaminic sedative factor, Obviating the, with a new antiallergic (Harry Steinberg), 710
- Arsenic in the treatment of asthma (O. C. Hansen-Pruss), 1
- Asheville area, Atmospheric pollen and mold spores in the (David McK. Pipes), 533
- Asthma and rhinitis during the warmer months of the year, I. Occurrence of seasonal patterns of. House dust allergy (A. M. Targow), 662
- Asthma, Arsenic in the treatment of (O. C. Hansen-Pruss), 1
- Asthma, Bronchial, caused by pseudomonas aeruginosa diagnosed by bronchoscopic examination (Bernard T. Fein), 639
- Asthma, bronchial, C-Reactive protein levels and anti-streptolysin O titres in (M. A. Kaplan, et al) 29
- Asthma, chronic, and asthmatic attacks, WR 1339 inhalations in the treatment of (D. Edward Frank), 313
- Asthma, severe intractable bronchial, A clinical study of prednisone in (Charles M. Jenkins), 700
- Asthma, The value of bronchoscopy in (Joseph D. Howell), 385
- Asthmatic attacks and chronic asthma, WR 1339 inhalations in the treatment of (D. Edward Frank), 313
- Asthmatic bronchitis. A follow-up study in a general pediatric practice (George A. Watson), 389
- Asthmatic patients, bronchial, C-Reactive protein in. II. Further evaluation (Abe L. Aaronson, et al), 586
- Asthmatic patients, The use of choline theophyllinate in (Ethan Allan Brown and Robert Emerson Clancy), 543
- Atmospheric pollen and mold spores in the Asheville area (David McK. Pipes), 533

B

- Banyai, Andrew L.: Treatment of emphysema by artificial pneumoperitoneum, 509
- Blood transfusions, Use of chloropropenpyridamine maleate injection in (Donald B. Frankel), 319
- Blue, Johnny A.: Summer blooming lamb's-quarters. A factor in inhalant allergy, 304
- Blufarab, Samuel M.: Common hand eczemas, 398
- Bromodiphenhydramine hydrochloride, carbinoxamine maleate and, tripeleannamine hydrochloride in treating allergic symptoms, A clinical comparison of (Walter R. MacLaren, et al), 307
- Bronchial asthma. A review of the recent literature—1954 (Progress in allergy) (Philip M. Gottlieb), 423
- Bronchial asthma caused by pseudomonas aeruginosa diagnosed by bronchoscopic examination (Bernard T. Fein), 639
- Bronchial asthma, severe intractable, A clinical study of prednisone in (Charles M. Jenkins), 700
- Bronchial asthma, The technique of respiratory and physical exercise in the treatment of (Bernard T. Fein and Eugenia P. Cox), 377
- Bronchial asthmatic patients, C-Reactive protein in. II. Further evaluation (Abe L. Aaronson, et al), 586
- Bronchitis, Asthmatic. A follow-up study in a general pediatric practice (George A. Watson), 389
- Bronchoscopic examination, Bronchial asthma caused by pseudomonas aeruginosa diagnosed by (Bernard T. Fein), 639
- Bronchoscopy in asthma, The value of (Joseph D. Howell), 385
- Bronchospasm, Aerosols of epoxytropine tropate methylbromide for the relief of (A. Salomon, et al), 90
- Brown, Ethan Allan: The question of reactions to mercurial diuretics, 131
- Brown, Ethan Allan, and Clancy, Robert Emerson: The use of choline theophyllinate in asthmatic patients, 543

INDEX TO VOLUME 13

- Bruff, William C. (co-author): A clinical comparison of carbinoxamine maleate, tripeleonnamine hydrochloride, and bromodiphenhydramine hydrochloride in treating allergic symptoms, 307

C

- C-Reactive protein in bronchial asthmatic patients. II. Further evaluation (Abe L. Aaronson, et al), 586
- C-Reactive protein levels and anti-streptolysin O titres in bronchial asthma. A preliminary report (M. A. Kaplan, et al), 29
- Calcium, Pharmacologic studies on a new antihistamine and its combination with (E. Rothlin and A. Cerletti), 80
- Carbinoxamine maleate, tripeleonnamine hydrochloride, and bromodiphenhydramine hydrochloride in treating allergic symptoms, A clinical comparison of (Walter R. MacLaren et al), 307
- Cerletti, A., and Rothlin, E.: Pharmacologic studies on a new antihistamine and its combination with calcium, 80
- Childhood, Status asthmaticus in infancy and (Edmund E. Ehrlich et al), 280
- Children and infants, The incidence of allergic reactions to penicillin in (Joseph H. Lapin), 169
- Children, Eosinophilia in (G. E. Stafford), 180
- Chlorpropenpyridamine maleate injection in blood transfusions, Use of (Donald B. Frankel), 319
- Chlorpropenpyridamine maleate injection 100 mg per cubic centimeter, The prophylaxis of penicillin reactions with (Donald B. Frankel and Robert E. Stutsman), 563
- Chlor-trimeton maleate, Treatment of allergic rhinitis of pollen origin by local application of a suspension of cortogen acetate with (William H. Evans), 99
- Choline theophyllinate, The use of, in asthmatic patients (Ethan Allan Brown and Robert Emerson Clancy), 543
- Chromate sensitivity, Comparison of patch and contact test responses in (L. Edward Gaul), 243
- Clancy, Robert Emerson, and Brown, Ethan Allan: The use of choline theophyllinate in asthmatic patients, 543
- Clein, Norman W.: A new antihistamine for treatment of various allergic manifestations, 163
- Clinical comparison of carbinoxamine maleate, tripeleonnamine hydrochloride, and bromodiphenhydramine hydrochloride in treating allergic symptoms (Walter R. MacLaren et al), 307
- Clinical study of prednisone in severe intractable bronchial asthma (Charles M. Jenkins), 700
- Cohen, Ephraim B., and Eisenstadt, William Sawyer: Osteoporosis and compression fractures from prolonged cortisone and corticotropin therapy, 252
- Collins-Williams, C.: Acute allergic reactions to cow's milk, 415
- Collins-Williams, C., and Ratner, Bret: Pediatric allergy. A critical review (Progress in Allergy), 196
- Common hand eczemas (Samuel M. Bluefarb), 398
- Comparison, A clinical, of carbinoxamine maleate, tripeleonnamine hydrochloride, and bromodiphenhydramine hydrochloride in treating allergic symptoms (Walter R. MacLaren et al), 307
- Comparison of patch and contact test responses in chromate sensitivity (L. Edward Gaul), 243
- Components of inhalant allergy, Domestic and industrial (Lawrence J. Halpin), 551
- Compression fractures from prolonged cortisone and corticotropin therapy, Osteoporosis and (William Sawyer Eisenstadt and Ephraim B. Cohen), 252
- Constitution, allergic, Poliomyelitis and the (Herman M. Lubens), 265
- Contact and patch test responses in chromate sensitivity, Comparison of (L. Edward Gaul), 243

INDEX TO VOLUME 13

- Corticotropin and cortisone therapy, prolonged, Osteoporosis and compression fractures from (William Sawyer Eisenstadt and Ephraim B. Cohen), 252
 Cortisone and corticotropin therapy, prolonged, Osteoporosis and compression fractures from (William Sawyer Eisenstadt and Ephraim B. Cohen), 252
 Cortisone therapy in the treatment of infantile eczema, Relationship between a careful dietary study and (Edward Scott O'Keefe), 96
 Cox, Eugenia P., and Fein, Bernard T.: The technique of respiratory and physical exercise in the treatment of bronchial asthma, 377
 Crawford, Lloyd V., and Ratner, Bret: Soybean: Anaphylactogenic properties, 289
 Criepp, Leo H.: The outlook for the treated allergic patient, 669

D

- Derbes, Vincent J. (co-author): Rupture of the esophagus, 15
 Derlacki, Eugene L.: Food sensitization as a cause of perennial nasal allergy, 682
 Dermatitis, Industrial (Herbert S. Alden), 695
 Dermatitis, Overtreatment (L. Edward Gaul), 642
 Dermatologic allergy. Critique and review of the recent literature (Progress in allergy) (John L. Fromer), 720
 Dermatoses, allergic, The general treatment of (John B. Haeberlin, Jr.), 571
 Digilio, Victor A., and Munch, James C.: Pressor drugs. IV. The safety of inhalational therapy in human patients, 257
 Diuretics, mercurial, The question of reactions to (Ethan Allan Brown), 131
 Domestic and industrial components of inhalant allergy (Lawrence J. Halpin), 551
 Donegan, Justin M.: Ocular allergies, 559
 Drug allergy, Swelling of the interphalangeal joints as a manifestation of (Maxwell Spring), 160
 Drugs, Pressor. IV. The safety of inhalational therapy in human patients (Victor A. Digilio and James C. Munch), 257
 Dust allergy, House. I. Occurrence of seasonal patterns of asthma and rhinitis during the warmer months of the year (A. M. Targow), 662
 Dutton, L. O., and Halpin, Lawrence: Observations of the clinical trial of tropin-4-chlorobenzhydryl ether hydrochloride, 104

E

- Eczema herpeticum (Kaposi's varicelliform eruption) Fred F. Feldman and Ben A. Newman, 403
 Eczema, infantile, Relationship between a careful dietary study and cortisone therapy in the treatment of (Edward Scott O'Keefe), 96
 Eczemas, Common hand (Samuel M. Bluefarb), 398
 Ehrlich, Edmund E. (co-author): Status asthmaticus in infancy and childhood, 280
 Ehrlich, Norman J. (co-author): Hay fever. A review of the literature of 1953-1954. (Progress in Allergy), 594
 Eisenberg, Ben C. (co-author): A clinical comparison of carbinoxamine maleate, tripeleennamine hydrochloride, and bromidiphenhydramine hydrochloride in treating allergic symptoms, 307
 Eisenstadt, William Sawyer, and Cohen, Ephraim B.: Osteoporosis and compression fractures from prolonged cortisone and corticotropin therapy, 252
 Emotional pattern in allergic disease, Is there a specific? (M. Coleman Harris), 654
 Emphysema, A method of estimating pulmonary disease from inspiration and expiration roentgenograms of the lungs and its application to the evaluation of (John B. Rushing), 576
 Emphysema, severe pulmonary, Radioactive iodine in the management of patients with (Allan Hurst et al), 393

INDEX TO VOLUME 13

- Emphysema, Treatment of, by artificial pneumoperitoneum (Andrew L. Banyai), 509
- Eosinophilia in children (G. E. Stafford), 180
- Epoxytropine tropate methylbromide, Aerosols of, for the relief of bronchospasm (A. Salomon et al), 90
- Esophagus, Rupture of the (Robert Edgar Mitchell et al), 15
- Estimating pulmonary disease from inspiration and expiration roentgenograms of the lungs, A method of: Its application to the evaluation of emphysema (John B. Rushing), 576
- Evans, Teodoro, and Ruiz, Armando: Mycological flora of the air in San Jose, Costa Rica, Central America, 189
- Evans, William H.: Treatment of allergic rhinitis of pollen origin by local application of a suspension of cortogen acetate with Chlor-trimeton maleate, 99
- Exercise, The technique of respiratory and physical, in the treatment of bronchial asthma (Bernard T. Fein and Eugenia P. Cox), 377
- Extracts, fungous, The use of sonic vibrations in the preparation of (Leo Kaplan), 271

F

- Faber, Kalman (co-author): Status asthmaticus in infancy and childhood, 280
- Fein, Bernard T.: Bronchial asthma caused by pseudomonas aeruginosa diagnosed by bronchoscopic examination, 639
- Fein, Bernard T., and Cox, Eugenia P.: The technique of respiratory and physical exercise in the treatment of bronchial asthma, 377
- Feldman, Fred F., and Newman, Ben A.: Eczema herpeticum (Kaposi's varicelliform eruption), 403
- Flynn, John G., and Ratner, Bret: Anaphylactogenic properties of piperazine citrate, 176
- Food sensitization as a cause of perennial nasal allergy (Eugene L. Derlacki), 682
- Fox, John L.: Vaginal and urinary symptoms following pollen injections, 187
- Fractures, compression, from prolonged cortisone and corticotropin therapy, Osteoporosis and (William Sawyer Eisenstadt and Ephraim B. Cohen), 252
- Frank, D. Edward: WR 1339 inhalations in the treatment of asthmatic attacks and chronic asthma—a pilot study, 313
- Frankel, Donald B.: Use of chlorprophenpyridamine maleate injection in blood transfusions. Further observations, 319
- Frankel, Donald B., and Stutsman, Robert E.: The prophylaxis of penicillin reactions with chlorprophenpyridamine maleate injection 100 mg per cubic centimeter, 563
- Fromer, John L.: Dermatologic allergy. Critique and review of the recent literature (Progress in allergy), 720
- Fungous extracts, The use of sonic vibrations in the preparation of (Leo Kaplan), 271

G

- Gaul, L. Edward: Comparison of patch and contact test responses in chromate sensitivity, 243
- Gaul, L. Edward: Overtreatment dermatitis, 642
- General treatment of allergic dermatoses (John B. Haeberlin, Jr.), 571
- Gettner, Henriette H. (co-author): Pneumotachograph in a pediatric allergy clinic, 35
- Goldin, Milton (co-author): C-Reactive protein in bronchial asthmatic patients. II. Further evaluation, 586
- Goldin, M. (co-author): C-Reactive protein levels and anti-streptolysin O titres in bronchial asthma, 29

INDEX TO VOLUME 13

- Goldman, Betty (co-author): C-Reactive protein in bronchial asthmatic patients. II. Further evaluation, 586
 Goodman, Elliott L. (co-author): Status asthmaticus in infancy and childhood, 280
 Gottlieb, Philip M.: Bronchial asthma. A review of the recent literature—1954 (Progress in allergy), 423
 Grater, William C.: Intravenous hydrocortisone in allergy, 191

H

- Haeblerlin, John B., Jr.: The general treatment of allergic dermatoses, 571
 Halpin, Lawrence J.: Domestic and industrial components of inhalant allergy, 551
 Halpin, Lawrence J.: Miscellaneous review of allergy, 1954 (Progress in Allergy), 326
 Halpin, Lawrence, and Dutton, L. O.: Observations of the clinical trial of tropin-4-chlorobenzhydriyl ether hydrochloride, 104
 Hansen-Pruss, O. C.: Arsenic in the treatment of asthma, 1
 Harris, M. Coleman: Is there a specific emotional pattern in allergic disease?, 654
 Hay Fever. A review of the literature of 1953-1954 (Progress in Allergy) (Morris A. Kaplan et al), 594
 Headaches, Allergy and (Albert H. Unger), 523
 Headaches, Vascular (Roy A. Ouer), 296
 Henderson, J. (co-author): C-Reactive protein levels and anti-streptolysin O titres in bronchial asthma, 29
 Herschfus, J. A. (co-author): Aerosols of epoxytropine tropate methylbromide for the relief of bronchospasm, 90
 House dust allergy. I. Occurrence of seasonal patterns of asthma and rhinitis during the warmer months of the year (A. M. Targow), 662
 Howell, Joseph D.: The value of bronchoscopy in asthma, 385
 Hurst, Allan (co-author): Radioactive iodine in the management of patients with severe pulmonary emphysema, 393
 Hydrocortisone, Intravenous, in allergy (William C. Grater), 191
 Hydrocortisone suspension in nasal allergic and infectious conditions, The use of (Mortimer B. Rohen), 109

I

- Identification of ragweed antigens in gel diffusion precipitates (Roger P. Wodehouse), 39
 Incidence of allergic reactions to penicillin in infants and children. Further evidence collected during the course of penicillin prophylaxis (Joseph H. Lapin), 169
 Industrial and domestic components of inhalant allergy (Lawrence J. Halpin), 551
 Industrial dermatitis (Herbert S. Alden), 695
 Infancy and childhood, Status asthmaticus in (Edmund E. Ehrlich et al), 280
 Infants and children, The incidence of allergic reactions to penicillin in (Joseph H. Lapin), 169
 Inhalant allergy, Domestic and industrial components of (Lawrence J. Halpin), 551
 Inhalant allergy, Summer blooming lamb's-quarters a factor in (Johnny A. Blue), 304
 Inhalational therapy in human patients, The safety of. IV. Pressor drugs (Victor A. Digilio and James C. Munch), 257
 Inhalations, WR 1339, in the treatment of asthmatic attacks and chronic asthma—a pilot study (D. Edward Frank), 313
 Injections, pollen, Vaginal and urinary symptoms following (John L. Fox), 187
 Interphalangeal joints, Swelling of, as a manifestation of drug allergy (Maxwell Spring), 160
 Intravenous hydrocortisone in allergy. Preliminary report (William C. Grater), 191

INDEX TO VOLUME 13

Iodine, Radioactive, in the management of patients with severe pulmonary emphysema (Allan Hurst et al), 393

Is there a specific emotional pattern in allergic disease? (M. Coleman Harris), 654

J

Jenkins, Charles M.: A clinical study of prednisone in severe intractable bronchial asthma, 700

Kaplan, Leo: The use of sonic vibrations in the preparation of fungous extracts, 271
Kaplan, M. A. (co-author): C-Reactive protein levels and anti-streptolysin O titres in bronchial asthma, 29

Kaplan, Morris A. (co-author): C-Reactive protein in bronchial asthmatic patients. II. Further evaluation, 586

Kaplan, Morris A. (co-author): Hay fever. A review of the literature of 1953-1954. (Progress in Allergy), 594

Kaposi's varicelliform eruption (eczema herpeticum) (Fred F. Feldman and Ben A. Newman) 403

Kohn, Cecil M.: Physical allergy. A review of the recent literature 1949-1954 (Progress in Allergy), 228

L

Lamb's-quarters, Summer blooming. A factor in inhalant allergy (Johnny A. Blue), 304

Lapin, Joseph H.: The incidence of allergic reactions to penicillin in infants and children, 169

Levine, Morris H. (co-author): Radioactive iodine in the management of patients with severe pulmonary emphysema, 393

Libretti, Arnaldo (co-author): C-Reactive protein in bronchial asthmatic patients. II. Further evaluation, 586

Lubens, Herman M.: Poliomyelitis and the allergic constitution, 265

M

MacLaren, Walter R. (co-author): A clinical comparison of carbinoxamine maleate, tripeleonnamine hydrochloride, and bromodiphenhydramine hydrochloride in treating allergic symptoms, 307

Maietta, Angelo L.: The management of the allergic patient during pregnancy, 516
Management of patients with severe pulmonary emphysema, Radioactive iodine in the (Allan Hurst et al), 393

Management of the allergic patient during pregnancy (Angelo L. Maietta), 516

Martin, Walter H. (co-author): A clinical comparison of carbinoxamine maleate, tripeleonnamine hydrochloride, and bromodiphenhydramine hydrochloride in treating allergic symptoms, 307

Mercurial diuretics, The question of reactions to (Ethan Allan Brown), 131

Method of estimating pulmonary disease from inspiration and expiration roentgenograms of the lungs: Its application to the evaluation of emphysema (John B. Rushing), 576

Milk, cow's, Acute allergic reactions to (C. Collins-Williams), 415

Miscellaneous review of allergy, 1954 (Progress in Allergy) (Lawrence J. Halpin), 326

INDEX TO VOLUME 13

- Mitchell, Robert Edgar (co-author): Rupture of the esophagus, 15
 Mold spores in the Asheville area, Atmospheric pollen and (David McK. Pipes), 533
 Munch, James C., and Digilio, Victor A.: Pressor drugs. IV. The safety of inhalational therapy in human patients, 257
 Mycological flora of the air in San Jose, Costa Rica, Central America (Teodoro Evans and Armando Ruiz), 189

N

- Nasal allergic and infectious conditions, The use of hydrocortisone suspension in (Mortimer B. Rohen), 109
 Nasal allergy, perennial, Food sensitization as a cause of (Eugene L. Derlacki), 682
 Nasal surgery in allergy (Sam H. Sanders), 674
 New antihistamine for treatment of various allergic manifestations (Norman W. Clein), 163
 Newman, Ben A., and Feldman, Fred F.: Eczema herpeticum (Kaposi's varicelliform eruption), 403
 Non-adaptation syndromes, stress, and parasympathotonia, Retinal detachment possibly due to (L. H. Prewitt), 690

O

- Observations of the clinical trial of tropin-4-chlorobenzhydryl ether hydrochloride (L. O. Dutton and Lawrence Halpin), 104
 Obviating the antihistaminic sedative factor with a new antiallergic (Harry Steinberg), 710
 Occurrence of seasonal patterns of asthma and rhinitis during the warmer months of the year. I. House dust allergy (A. M. Targow), 662
 Ocular allergies (Justin M. Donegan), 559
 O'Keefe, Edward Scott: Relationship between a careful dietary study and cortisone therapy in the treatment of infantile eczema, 96
 Osteoporosis and compression fractures from prolonged cortisone and corticotropin therapy (William Sawyer Eisenstadt and Ephraim B. Cohen), 252
 Ouer, Roy A.: Vascular headaches, 296
 Outlook for the treated allergic patient (Leo H. Crip), 669
 Overtreatment dermatitis (L. Edward Gaul), 642

P

- Parasympathotonia, stress, and non-adaptation syndromes, Retinal detachment possibly due to (L. H. Prewitt), 690
 Patch and contact test responses in chromate sensitivity, Comparison of (L. Edward Gaul), 243
 Pediatric allergy. A critical review (Progress in Allergy) (C. Collins-Williams and Bret Ratner), 196
 Pediatric allergy clinic, Pneumotachograph in a (Howard G. Rapaport et al), 35
 Penicillin reactions, The prophylaxis of, with chlorpropenpyridamine maleate injection 100 mg per cubic centimeter (Donald B. Frankel and Robert E. Stutsman), 563
 Penicillin, The incidence of allergic reactions to, in infants and children (Joseph H. Lapin), 169
 Pharmacologic studies on a new antihistamine and its combination with calcium (E. Rothlin and A. Cerletti), 80
 Physical allergy. A review of the recent literature 1949-1954 (Progress in Allergy) (Cecil M. Kohn), 228

INDEX TO VOLUME 13

- Physical and respiratory exercise in the treatment of bronchial asthma, The technique of (Bernard T. Fein and Eugenia P. Cox), 377
- Piperazine citrate, Anaphylactogenic properties of (Bret Ratner and John G. Flynn), 176
- Pipes, David McK.: Atmospheric pollen and mold spores in the Asheville area, 533
- Pneumoperitoneum, artificial, Treatment of emphysema by (Andrew L. Banyai), 509
- Pneumotachograph in a pediatric allergy clinic. Preliminary report (Howard G. Rapaport et al), 35
- Poliomyelitis and the allergic constitution (Herman M. Lubens), 265
- Pollen, Atmospheric, and mold spores in the Asheville area (David McK. Pipes), 533
- Pollen injections, Vaginal and urinary symptoms following. Report of a case (John L. Fox), 187
- Prednisone in severe intractable bronchial asthma, A clinical study of (Charles M. Jenkins), 700
- Pregnancy, The management of the allergic patient during (Angelo L. Maietta), 516
- Presidential acceptance address (Homer E. Prince), 77
- Presidential address (Homer E. Prince), 321
- Pressor drugs. IV. The safety of inhalational therapy in human patients (Victor A. Digilio and James C. Munch), 257
- Prewitt, L. H.: Retinal detachment possibly due to stress, parasympathotonia, and non-adaptation syndromes, 690
- Prince, Homer E.: Presidential acceptance address, 77
- Prince, Homer: Presidential address, 321
- Progress in allergy. Bronchial asthma. A review of the recent literature—1954 (Philip M. Gottlieb), 423
- Progress in allergy. Dermatologic allergy. Critique and review of the recent literature (John L. Fromer), 720
- Progress in allergy. Hay fever. A review of the literature of 1953-1954 (Morris A. Kaplan et al), 594
- Progress in allergy. Miscellaneous review of allergy, 1954 (Lawrence J. Halpin), 326
- Progress in allergy. Pediatric allergy. A critical review (C. Collins-Williams and Bret Ratner), 196
- Progress in allergy. Physical allergy. A review of the recent literature 1949-1954 (Cecil M. Kohn), 228
- Prophylaxis of penicillin reactions with chlorphenpyridamine maleate injection 100 mg per cubic centimeter (Donald B. Frankel and Robert E. Stutsman), 563
- Proteins, C-Reactive, in bronchial asthmatic patients. II. Further evaluation (Abe L. Aaronson et al), 586
- Pseudomonas aeruginosa, Bronchial asthma caused by, diagnosed by bronchoscopic examination (Bernard T. Fein), 639
- Pulmonary disease, A method of estimating, from inspiration and expiration roentgenograms of the lungs: Its application to the evaluation of emphysema (John B. Rushing), 576

Q

- Question of reactions to mercurial diuretics, The. A reappraisal (Ethan Allan Brown), 131

R

- Radioactive iodine in the management of patients with severe pulmonary emphysema (Allan Hurst et al), 393
- Ragweed antigens in gel diffusion precipitates, Identification of (Roger P. Wodehouse), 39
- Rapaport, Howard G. (co-author): Pneumotachograph in a pediatric allergy clinic, 35
